Topics	Min No of assignments to be done for Hands on
HTML 5 Drag and Drop	1
HTML 5 Geolocation	
HTML 5 SVG	
HTML 5 Web Storage	
HTML5 Elements	
	1

### Topics Covered

**HTML 5 Drag and Drop, Geolocation, SVG, WebStorage and Elements**

#### Assignment-1:-

Draw two circles of color yellow and green using SVG and allow users to drag and drop a logo (using any gif image) into the circles. Also find the current location of the users using geolocation api and save it to the web storage (display it when users open the browser next time).
